## **Statement from Virginia Beach Sheriff Rocky Holcomb on Rolin Hill incident**

June 9, 2024

On Tuesday, June 4, at approximately 7:15 p.m., Rolin G. Hill, 34, was brought to the Virginia Beach Correctional Center via Virginia Beach Police transport on three charges of trespassing, resisting arrest and disorderly conduct. He was denied bond by a magistrate and booked into the VBCC at 8:20 p.m. Hill was uncooperative and combative during the arrest and booking process, requiring response to resistance and for him to be restrained for his safety and the safety of the arresting officers and jail deputies. At approximately 8:45 p.m., Hill experienced a medical emergency and received immediate aid from deputies and jail medical staff before being transported via ambulance to Sentara Princess Anne Hospital.

The incident is under investigation by the VBSO Professional Standards Office. Additionally, Sheriff Rocky Holcomb, immediately after finding out about the incident, requested an independent third-party investigation by Virginia State Police.

Hill was released from VBSO custody on Wednesday, June 5, and remained hospitalized at that time.

Statement from Sheriff Holcomb: "We are investigating the incident with Rolin Hill and are committed to a full and comprehensive investigation, which is why I have asked Virginia State Police to conduct an independent review. I cannot comment on the specific facts of the case at this time due to the need to preserve the integrity of the investigation. As always, I am committed to full transparency with the community and will be open with the findings when the investigation is complete."
